

Lest We Forget

Joldersma & Klein Funeral Home is pleased to offer the American Flag Retirement Program

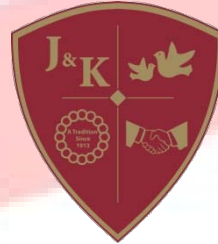

Did you know...?

According to U.S. code, “The American flag, when it is in such a condition that it is no longer a fitting emblem for display, should be destroyed in a dignified way, preferably by burning.”

We will properly destroy the flag by including it in the cremation process of a U.S. veteran. Help us show our appreciation to our deceased veterans and our respect to retired American flags in the most patriotic way. They’ve proudly served our country!

Simply drop off your flag at:
